## SOURCE

8 June 1949

1. The kasernes of LEISNIG (N 52/K 69) were occupied as follows on 8 June 1949:

a. Former "134th Regt" Kaserne: Rear detail of about 50 men belonging to a tank unit. German craftsmen were performing repair work in the kaserne.

b. Former Busch Kaserne: Rear detail of 75 to 100 men. Some tank and artillery soldiers were seen in the streets.

9 June 1949

2. The former Panzerjaeger Kaserne, BORNA (N 52/K 39), was occupied by only a small rear detail on 9 June 1949.

25X1 2 June 1949

3. A rear detail of about 20 men was located in the kaserne of EILENBURG (N 52/E 32) on 2 June 1949.

4.   Comment: 25X1A

The above report confirms that the following component units of the 8th Gds Mecz Div were still on maneuvers at the KOENIGSBRUECK troop training grounds in early June 1949:

64th Gds Hv Tank Regt from LEISNIG  
 1st Gds Tank Regt from BORNA  
 750th AT Regt from EILENBURG.

The above regiments left their respective posts in April and early in May 1949.
